EDUCATION

State University Madison, WI

Bachelor of Arts in Economics, Minor in Statistics *Expected May 2028*

- GPA: 3.82 / 4.00 | Dean's List, all four semesters | ACT: 35 | Honors Program in Economics
- Relevant Coursework: Econometrics, Intermediate Microeconomics, Game Theory, Data Analysis in R, Managerial Accounting

EXPERIENCE

Tier 2 Strategy Consulting Firm Chicago, IL

Summer Consultant (Received Return Offer) *Jun 2026 to Aug 2026*

- Sized the US market for a healthcare client's at-home diagnostic test at $1.4Bn by building a bottom-up model from eligible patient counts, testing frequency and price; the estimate became the base case in the final steering committee presentation
- Analyzed 1,200 customer survey responses in Excel and R to segment buyers for a consumer products client; identified a 20% price-insensitive segment that the client built a premium product line around in its 2027 plan
- Ran 14 interviews with former distributors and category buyers and wrote the one-page synthesis the partner used to open the week-four client meeting; two of the findings became workstreams for the rest of the project

Early Stage Software Startup Madison, WI

Operations and Strategy Intern *Jun 2025 to Aug 2025*

- Rebuilt the customer onboarding checklist and cut average time from signed contract to first use from 9 days to 4 across 60 new accounts over the summer
- Built the company's first churn dashboard from billing data; showed that 40% of cancellations came from one pricing tier, which the founders repriced in September

LEADERSHIP & ACTIVITIES

Undergraduate Consulting Club, State University Madison, WI

President | Previous Roles: Project Lead, Analyst *Sep 2024 to Present*

- Lead a 70-member club that runs 6 pro bono projects a semester for local businesses and nonprofits; grew the member application pool from 90 to 210 in two years by partnering with the business school's career office and recruiting 4 new client partners
- Built an 8-week case practice program that pairs 30 members with alumni coaches each fall; 12 members received consulting internship offers in the 2026 cycle, up from 4 two years earlier
- Led a 5-person team for a regional food bank; redesigned its volunteer scheduling and raised shift fill rates from 70% to 92%, which the executive director reported saved about 15 staff hours a week

National Undergraduate Case Competition Chicago, IL

Team Captain *Nov 2025*

- Led a 4-person team to 2nd place out of 32 teams with a market entry recommendation for a regional grocery chain; built the 5-year financial model and presented to a panel of partners from two strategy firms

Club Rowing Team, State University Madison, WI

Treasurer and Varsity Eight Rower *Sep 2024 to Present*

- Keep the team's books: a $22,000 annual budget, a renegotiated boathouse lease that cut facility costs 15%, and a $6,000 alumni drive that paid for a new shell
- Row in the varsity eight, which placed 3rd at the Spring 2025 regional championship on 15 training hours a week
