EDUCATION

State University Chicago, IL
Bachelor of Business Administration in Finance, Minor in Economics *Expected May 2028*

- GPA: 3.78 / 4.00 | Dean's List, all four semesters | ACT: 34 | University Honors College
- Relevant Coursework: Corporate Finance, Financial Accounting, Valuation, Econometrics, Business Statistics, Intermediate Microeconomics

EXPERIENCE

Regional Boutique Investment Bank Chicago, IL
Investment Banking Summer Analyst *Jun 2026 to Aug 2026*

- Built the trading comparables and precedent transactions analyses for a $45MM sell-side mandate for a founder-owned logistics company; the valuation range from the analysis set the first-round bid guidance the bank sent to 9 buyers
- Drafted 14 pages of the confidential information memorandum, including the industry overview and the customer concentration section; the managing director reused the section in the management presentation to 4 second-round bidders
- Built and maintained a buyer list of 110 strategic and sponsor contacts across two live processes; tracked outreach, NDAs and first-round indications in the log the deal team reviewed on the weekly client call

Student Pro Bono Consulting Group, State University Chicago, IL
Project Lead | Previous Role: Consultant *Sep 2025 to Present*

- Built a menu-level margin analysis of 40 items for a 12-location regional coffee chain as lead of a 5-person, 10-week pricing project; recommended three price changes the owner adopted, which raised the average ticket by 6 percent over the following quarter
- Ran a 300-response customer survey and 15 store manager interviews; found that 2 of the 12 locations drove 30 percent of food waste cost and recommended an ordering change the chain rolled out to every store
- As a consultant, built the market sizing and competitor analysis for a nonprofit's after-school tutoring expansion; the board used the analysis to approve two new sites

Department of Economics, State University Chicago, IL
Research Assistant, Labor Economics *Sep 2025 to Present*

- Cleaned and merged four years of county-level employment data (about 120,000 rows) in Stata and Python for a study of minimum wage effects on restaurant hiring; built the summary tables used in the working paper's first draft
- Wrote the summary of 25 prior studies that became section 2 of the working paper; co-presented the preliminary results at the department's undergraduate research symposium

LEADERSHIP & ACTIVITIES

Undergraduate Finance and Consulting Society, State University Chicago, IL
Vice President of Education | Previous Role: Member *Sep 2024 to Present*

- Designed and run a 6-week interview prep series for 35 members each semester covering accounting, valuation and case fundamentals; members have placed at 4 investment banks and 3 consulting firms over the past two recruiting cycles
- Recruited 8 alumni speakers and raised $3,000 in corporate sponsorship to fund a two-day case competition for 60 students; grew paid membership from 90 to 140 in one year

Regional Undergraduate Case Competition Chicago, IL
Team Captain *Mar 2026*

- Led a 4-person team to second place out of 18 teams with a market entry recommendation for a grocery delivery service; built the $220MM market sizing and the unit economics model and presented the 20-slide deck to a panel of consultants and operators

Independent ACT Tutoring Business Chicago, IL
Founder *Jun 2024 to Present*

- Tutored 20 high school students over two summers with a self-built 8-week curriculum; students gained an average of 5 points, and referrals filled the second summer without advertising
